### Hand Luggage

For Security and Comfort Reasons only 1. (one) Hand Luggage is allowed for one person on to the cabin.

The Hand Luggage should have a maximum weight of 6kg (8 kg for laptops) and the sizes 55cm x 40 cm x 20 cm should not overexited.

**8. kg**

maximum weight per person

**8. kg**

maximum weight per person

**55 cm x 40 cm x 20 cm**

maximum size per person

### Recommendations

It is recommended, that Valuables, Medicine, Perishable foods ore breakable Items should be transported in Hand Luggage. Apart from that the Hints prescribed in the Booking confirmation are valid for the repudiation of liability.

### Excess Baggage

Haulage of luggage that outruns the allowed framework of limits for free luggage is charged.

### Excess baggage Charges

The Allowed amount for maximum weight on your traveling luggage can also be found on your flight ticket. Exceeding these Limits is deemed as Overweight. In such case the tariff Structure requires a surcharge. It is adjusted according to the situation or at the Weight and Stock Concept.
